Estimate for

3556 Woodlake Drive
Silver Spring, MD 20904

Project Overview

This estimate outlines the scope of contents management, moving services, and debris hauling for your property located in Silver Spring, MD, following recent water damage. The project involves the careful handling, packing, transportation, storage, and re-delivery of your household contents, along with the removal and disposal of construction debris. The project duration is two months.

Contents Management & Moving Services

This service includes the careful handling, packing, transportation, storage, and re-delivery of household contents.
Project Scope and Specific Considerations:

- **Multi-Floor Operations:** Work spans the 2nd and 3rd floors, requiring careful coordination and movement.
- **Access Limitations:** Narrow passages within your home and limited parking outside will necessitate additional time and specialized handling.
- **Stairs & Long Carry:** Significant stair and long-carry requirements will increase labor intensity for all movements.
- **Heavy Items:** The presence of heavy objects, including a massage chair and other heavy furniture, on the 2nd floor, combined with narrow passages, will require specialized equipment and an experienced crew.
- **Project Duration:** A 2-month project duration implies a need for secure, climate-controlled storage for your contents.

Initial Pack-out Services (Origin)

Careful packing and inventorying of contents from the damaged site. Includes site preparation, handling of specific items by floor, and meticulous loading onto moving truck.

Labor & Equipment

Item	Qty	Unit	Unit Price	Total Price
1. Pack-out Labor (Standard - 3 movers) <i>General packing, loading, and handling of contents.</i>	12.00	HR	\$90.00	\$1,080.00
2. Pack-out Labor (Specialized - 4th mover for heavy items) <i>Elevated labor for handling heavy objects like the massage chair and other large furniture, requiring a specialized crew member and specific equipment. Accounts for maneuvering through narrow passages and stairs.</i>	4.00	HR	\$110.00	\$440.00
3. Specialized Equipment Rental <i>Includes heavy-duty appliance dolly, furniture sliders, and straps for safe handling of heavy items.</i>	1.00	DA	\$75.00	\$75.00

Materials & Surcharges

Item	Qty	Unit	Unit Price	Total Price
4. Packing Materials (General) <i>Includes various size boxes, packing paper, tape, and labels for general household items. This covers Kitchen contents (moved without wrapping), and general items in Bedroom 1 and Bedroom 2.</i>	1.00	LT	\$350.00	\$350.00

5. Packing Materials (Specialized)	1.00	LT	\$450.00	\$450.00
<i>Includes moving blankets, shrink wrap, bubble wrap, and specialized cartons primarily for Master Bedroom contents (most items wrapped due to lack of space and necessity), and one night stand in Bedroom 1 or 2 (wrapped with plastic).</i>				
6. Floor/Wall Protection	1.00	LT	\$150.00	\$150.00
<i>Installation of floor runners and wall padding in high-traffic areas and narrow passages to prevent damage during the moving process.</i>				
7. Access Surcharge	1.00	LT	\$250.00	\$250.00
<i>Additional time for navigating narrow passages, stairs (2nd and 3rd floors), and extended long carries, which increase project complexity and labor intensity.</i>				

Initial Pack-out Services (Origin) Subtotal: \$2,795.00

Transportation to Storage

Secure transfer of packed contents to a designated storage facility.

Logistics & Transport

Item	Qty	Unit	Unit Price	Total Price
8. Moving Truck Rental (26 ft Box Truck)	1.00	DA	\$100.00	\$100.00
<i>Rental of a fully equipped 26-foot box truck to accommodate all household contents for transport.</i>				
9. Mileage Fee	60.00	MI	\$1.50	\$90.00
<i>Covers vehicle mileage from origin to destination and return (approx. 30 miles one way, 60 miles round trip), including fuel and tolls.</i>				
10. Driver Labor	4.00	HR	\$90.00	\$360.00
<i>Labor for professional truck driver, ensuring safe and efficient transportation of your belongings.</i>				
11. Fuel Surcharge	1.00	LT	\$75.00	\$75.00
<i>Covers fuel costs for transportation services.</i>				

Transportation to Storage Subtotal: \$625.00

Contents Storage

Professional, climate-controlled storage of items for the duration of the restoration project.

Storage Services

Item	Qty	Unit	Unit Price	Total Price
12. Climate-Controlled Storage Unit (10x20/10x30 equivalent)	2.00	MO	\$350.00	\$700.00
<i>Secure, climate-controlled storage to protect items from environmental damage (humidity, temperature fluctuations) for the project duration. Sized to accommodate all packed household contents.</i>				

Contents Storage Subtotal: \$700.00

Retrieval from Storage & Final Pack-in Services (Destination)

Coordinated pick-up and transport of contents from storage upon project completion, followed by unpacking and placement at the restored site.

Labor & Logistics

Item	Qty	Unit	Unit Price	Total Price
13. Transport from Storage (Labor & Truck) <i>Includes labor and truck usage for retrieving contents from storage and transporting them back to your property. Equivalent to the inbound transportation cost.</i>	1.00	TR	\$460.00	\$460.00
14. Pack-in Labor (Standard - 3 movers) <i>Labor for careful unloading, unpacking of all wrapped items, and placement back into original or designated locations.</i>	12.00	HR	\$90.00	\$1,080.00
15. Pack-in Labor (Specialized - 4th mover for heavy items) <i>Elevated labor for re-positioning and reassembly (if applicable) of the massage chair and other heavy furniture, utilizing specialized equipment and an increased crew.</i>	4.00	HR	\$110.00	\$440.00

Post-Service & Surcharges

Item	Qty	Unit	Unit Price	Total Price
16. Packing Material Disposal (from unpack) <i>Collection and disposal of all used packing materials (boxes, paper, wrap) generated during the unpacking process.</i>	1.00	LT	\$100.00	\$100.00
17. Access Surcharge <i>Additional time for navigating narrow passages, stairs (2nd and 3rd floors), and extended long carries during the pack-in phase.</i>	1.00	LT	\$250.00	\$250.00

Retrieval from Storage & Final Pack-in Services (Destination) Subtotal: \$2,330.00

Debris Hauling Services

This service covers the removal and disposal of water-damaged demolition debris. It includes labor, truck, and disposal facility charges. A separate trip fee is applied for this dedicated service.
Project Scope and Specific Considerations:

- Water-Damaged Debris:** The demolition debris is water-damaged, which significantly increases its weight and requires specific handling for disposal.
- Disposal Requirements:** Construction debris from water damage will be removed and properly disposed of at a licensed facility.
- Access Considerations:** The presence of stairs, narrow passages, and long carries for debris removal will impact labor intensity.

Construction Debris Removal & Disposal

Removal and disposal of existing water-damaged demolition debris from the property, with an approximate total weight of 1420.88 lbs (0.71 tons).

Disposal & Hauling

Item	Qty	Unit	Unit Price	Total Price
18. Debris Hauling Labor (2 movers) <i>Labor for loading water-damaged debris into the truck, accounting for the increased weight and difficulty of handling, as well as navigation through stairs and narrow passages.</i>	3.00	HR	\$90.00	\$270.00
19. Debris Hauling Truck & Fuel (Dedicated trip) <i>Dedicated small box truck or dump truck for debris transport to the disposal facility, including fuel and vehicle costs. A separate trip fee is applied.</i>	1.00	TR	\$150.00	\$150.00

20. Disposal Facility Fee (Water Damaged C&D Waste)	0.71 TN	\$93.00	\$66.03
---	---------	---------	---------

Landfill fees for construction and demolition (C&D) waste, calculated based on the estimated weight of water-damaged debris (1420.88 lbs / 0.71 tons) at the facility's rate in Montgomery County, MD.

Construction Debris Removal & Disposal Subtotal: \$486.03

Subtotal: \$6,936.03

Estimate Total: \$6,936.03

Thank you for the opportunity to provide this estimate. We are confident in our ability to deliver professional, reliable, and efficient moving and contents management services for your restoration project.

Project Assumptions:

- Property access will be clear of restoration personnel during pack-out and pack-in phases, allowing our crew to work efficiently.
- All utilities (electricity, lighting) will be functional at both origin and destination during service dates.
- You or a designated representative will be available for questions, approvals, and final walkthroughs during pack-out and pack-in.
- The condition of items not explicitly noted for specialized wrapping (e.g., kitchen contents, plastic-covered bedrooms) is suitable for standard handling.
- The approximate weight of water-damaged debris (1420.88 lbs) is accurate for disposal fee calculations. Any significant variance in actual debris volume or weight upon arrival for pickup may result in an adjustment to the disposal fee.
- Storage will be provided in a climate-controlled facility in the vicinity of Fairfax, VA.

Disclaimers and Exclusions:

- This estimate is based on the provided inventory and project details. Any changes to the scope of work, including additional items, unexpected access challenges, or changes in project duration, may result in an adjusted estimate.
- This estimate ****excludes**** cleaning services (pre-pack-out or post-pack-in).
- This estimate ****excludes**** restoration, repair, or cleaning of damaged contents.
- This estimate ****excludes**** hazardous waste disposal (e.g., chemicals, paint, regulated materials) unless explicitly agreed upon and priced separately.
- This estimate ****excludes**** disconnection or re-connection of appliances, electronics, or complex fixtures (e.g., chandeliers, wall-mounted TVs), unless otherwise specified and quoted.
- This estimate ****excludes**** pest control or mold remediation services.
- Any services not specifically itemized in this estimate are ****excluded****.
- Additional trips for debris hauling beyond the single trip indicated, unless necessitated by unexpected volume or your request, will incur additional trip fees.
